The Typical Teens of Wolcott School-- Past, Present, and Future

Here are the typical teens of Wolcott School. They are the skeleton of our school.

Our teachers, the teenagers of the past, share their knowledge with us in the hope that we will learn from them and go forth in the future to seek a deeper knowledge of our world. The teenagers, the teens of the present, are nearing the threshold of their adulthood. They are starting to plan and build their lives. Then there are the elementary students, the teens of the future. They are entering into a world of new ideas. Soon they will become teens and face the task of becoming adults.

Yes, they are all herē. Turn the pages and gaze upon the typical teens of Wolcott School.

A GOOD-BYE TO LAST YEAR'S SENIORS

A light blue graduation gown and white carnation adorned the seniors as they marched up the aisle to receive their diplomas. Many tears were seen as well-wishers shook their hands.

The last group activity they took part in was their class trip. Instead of the almost traditional trip to Washington, D.C. and New York, they went to New Orleans.

Now they have gone their individual ways. Some have gone to college, some are holding down jobs, and still others are married and are starting their own families.

Seniors are congratulated by Mr. Moore.

A TEENAGER'S DREAM:
The formal dance.

TYPICAL TEENS

OF WOLCOTT HIGH

AT WORK

A great portion of a teen's life is devoted to work. Whether it be in homework, musical organizations, or clubs.

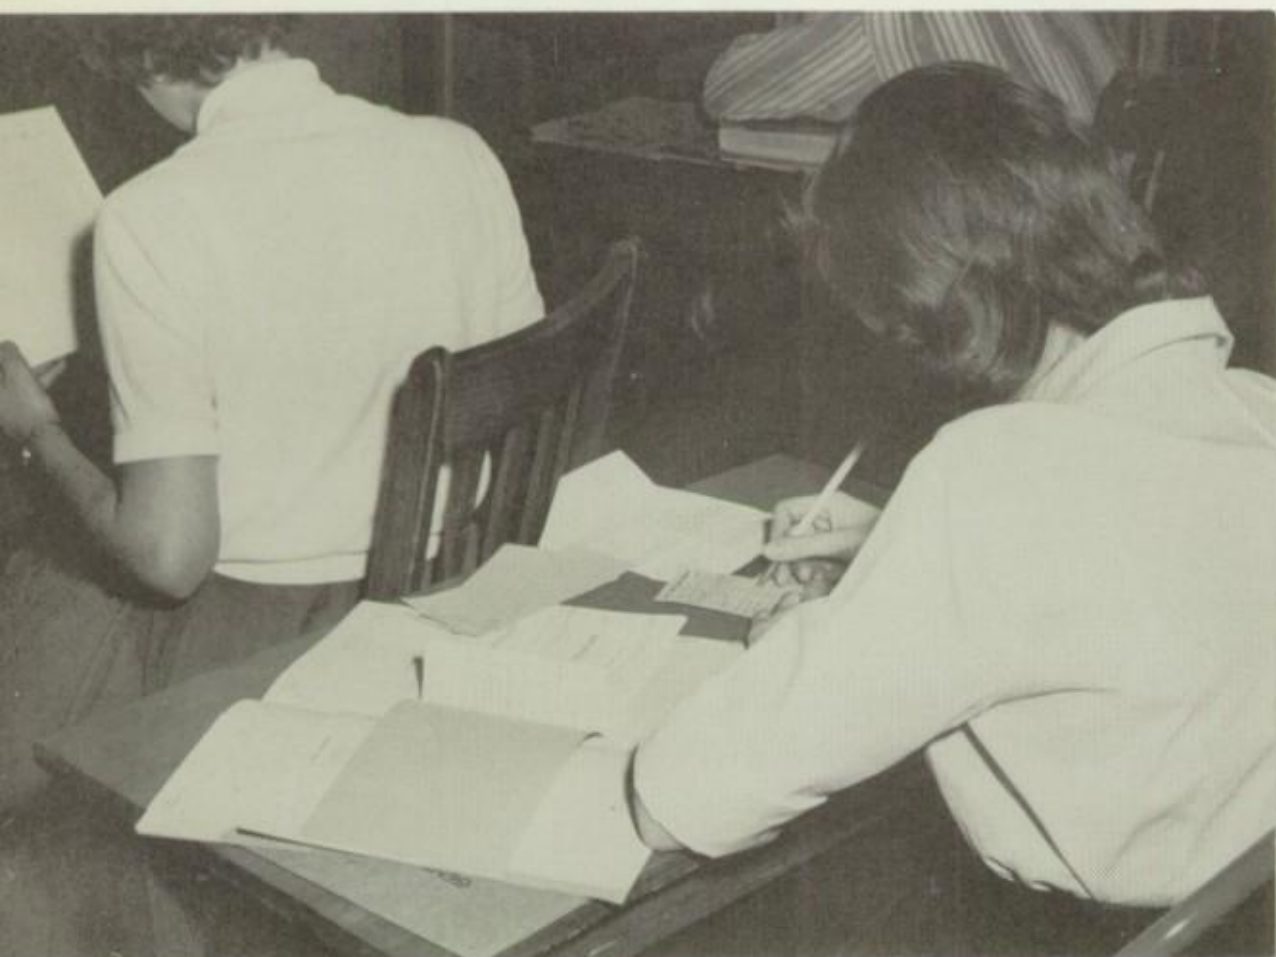

All throughout the year results of their work are seen and heard by their proud parents. The Future Teen's practice their reading, writing, and arithmetic. The Teens of the Present cook, build, sing, and study. The Teens of the Past (our teachers) plan classes, help pupils to organize clubs, etc, and do extra studying so they can stay up with the times.

Examples of their work include candy counter, Junior coke sales, Sunshine Hobo Day, County Band Festival, Sunshine Dance, Wolcott School Annual, and the school newspaper.

Turn the page and see the Typical Teens at work.

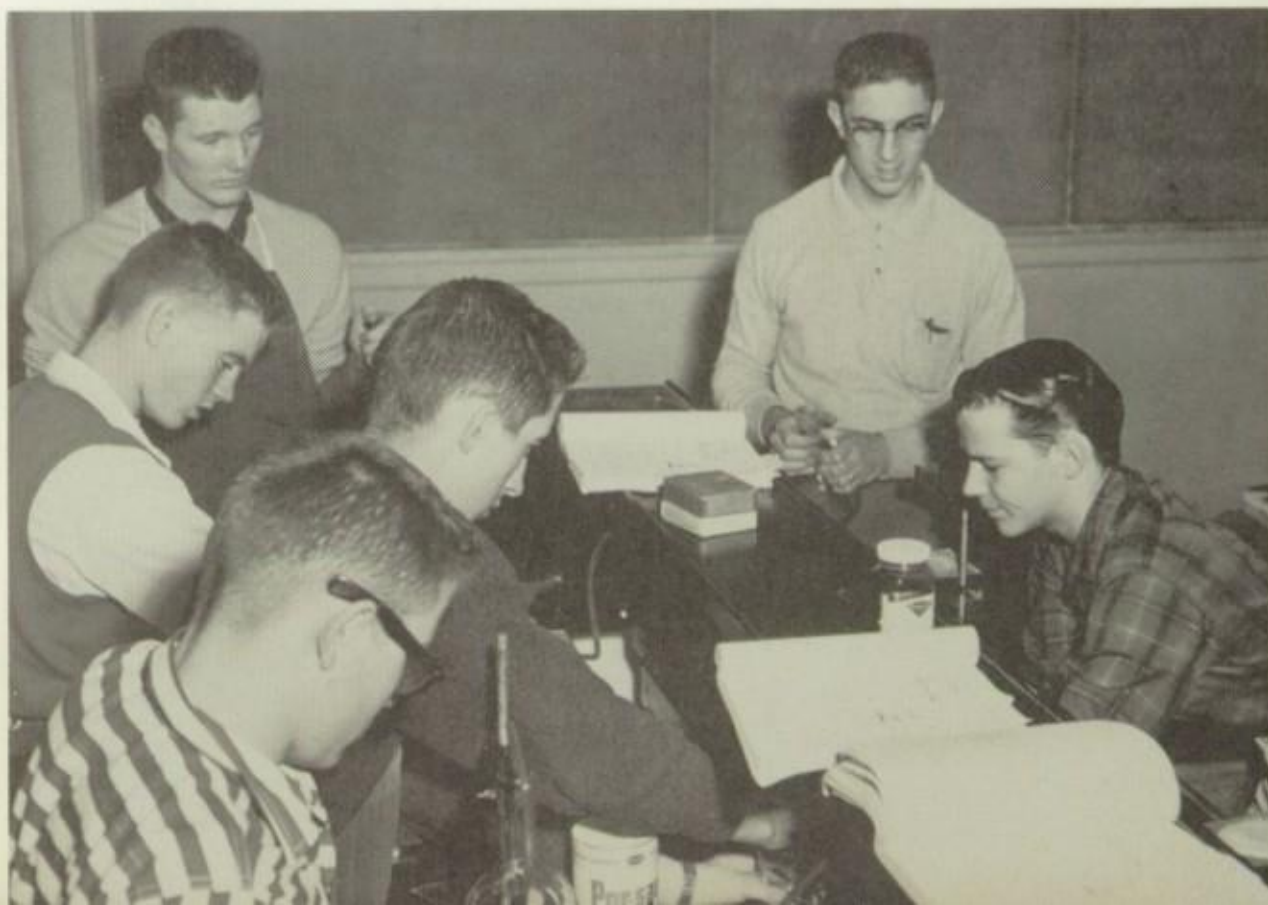

This year a new subject was introduced, Speech and Composition. One of the projects was dramatics. Shown are Janet Eberle, Lois Spencer, and Edith Leonard rehearsing their parts for "Ladies of the Mop."

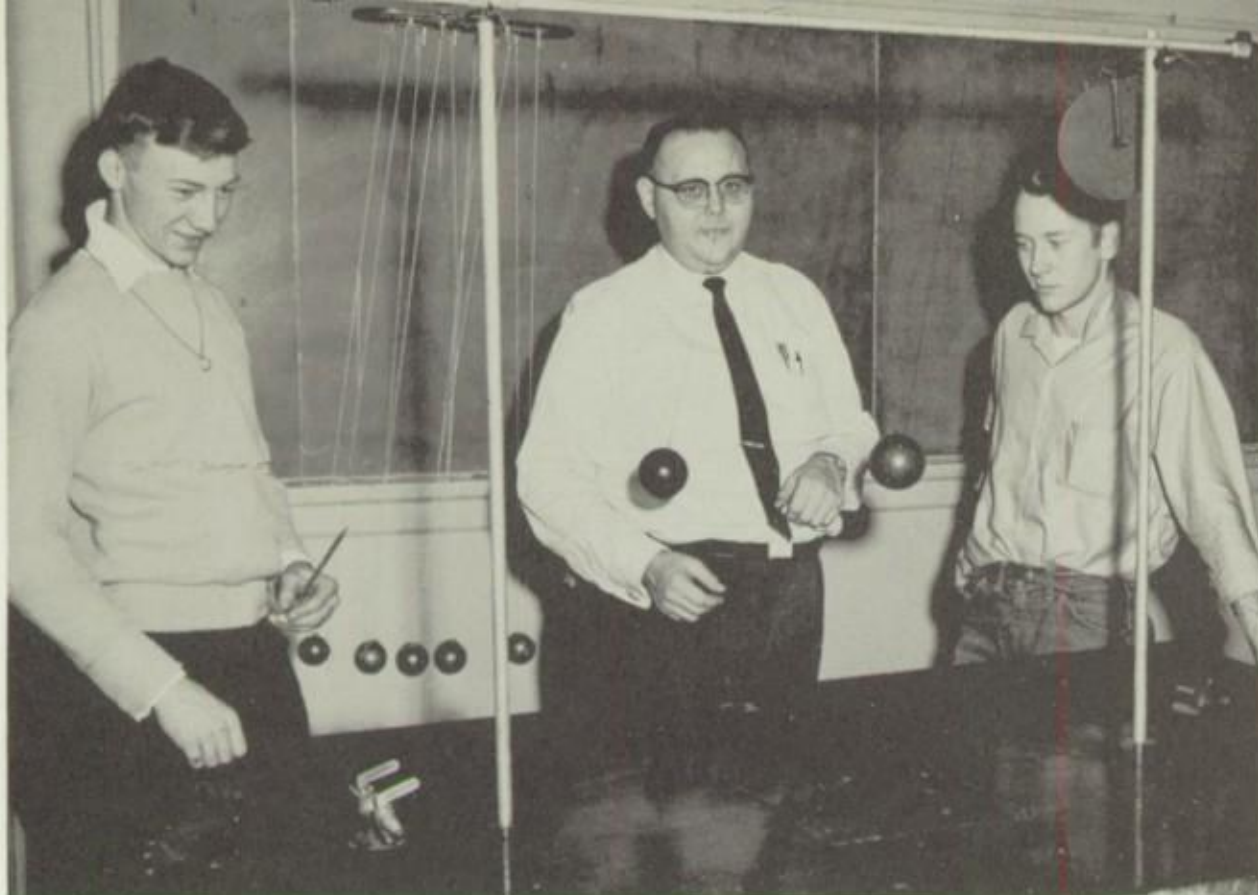

SCHOOL

One of the problems an American faces today is his income tax. In Bookkeeping, today's teenagers are learning how to keep accurate financial records. Shown are Shirley Goodwin and Janice Telfer.

Besides reading and learning from textbooks, the Chemistry Class holds a laboratory once a week to put in actual use what they have learned. Shown are Don Ward, Jim Musser, Dennis Scofield, Tom Sheets, Robert Poindexter, and Mr. Wolf.

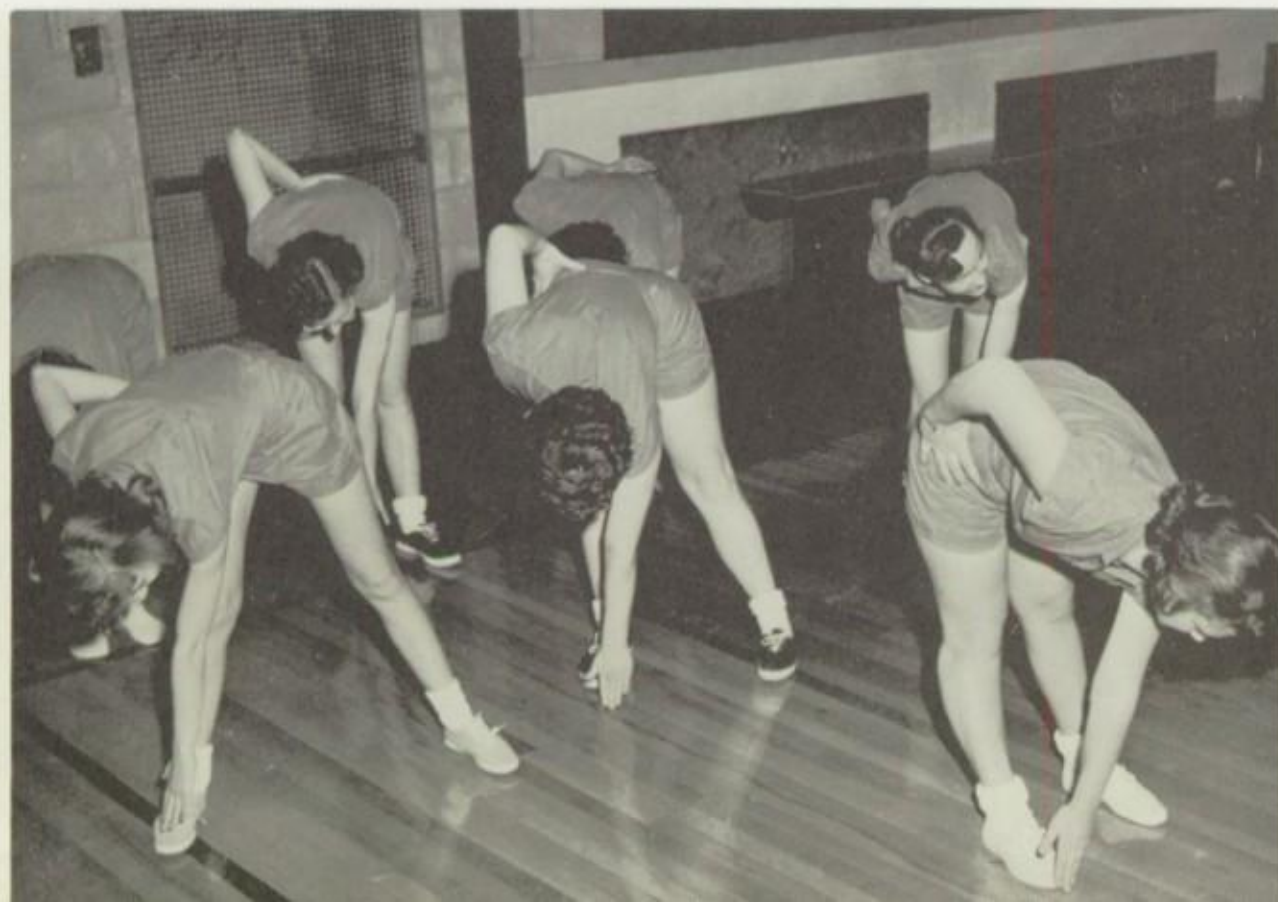

Clyde Johnson, Mr. Smith, and Scott Legan are illustrating the principles of a pendulum in Physics Class.

DAZE

Some of the Home Economics projects are sewing, cooking, home managements, and child care. Janice Telfer, Joy Van Meter, Elaine Sheets, and Joyce Baunach are working in the kitchen.

1 - 2 - 3 - 4; class halt - 1 - 2!
Physical Education students are vigorously doing exercises.

The TRIDENT, our school yearbook is published yearly. This year's annual was published by these industrious workers:

EDITOR-in-CHIEF--Shirley Ann Meyer,
ADVISOR--Mr. Hiatt, and ASSISTANT-
EDITOR--Joy Van Meter.

THE TRIDENT is a senior class project. Each year the senior class hunts through hundreds of records, names, new organizations; paste up layout pages, struggle to meet the deadlines; and search for new and fresher ideas for layouts.

Sometimes we
get
carried away
with
our work.

We start like this.....

... and ...

.....end up like this!

STUDENT

"BOARDING HOUSE REACH"--

This play concerns a family whose house was turned into a boarding house when the parents went on a business trip. The sons wanted to make money for a bicycle so they used their house for a boarding house and charged a regular price for the rooms. It concerns the boarders in a hilarious escapade, especially when the parents return before they are supposed to and find people in their rooms.

"FAIRYLAND FANTASY"

Everyone takes part in the closing "Grand March."

Stars on a blue sky, a stony castle complete with a drawbridge, a cobblestone entranceway, and a wishing well, all gave a fantasy outlook to the dancers. A neat picket fence with pastel roses clinging to it enclosed the refreshment tables where the couples could sit while the servers in their fairytale costumes brought the punch and cookies to the tables.

It was indeed a fairylend fantasy.

Refreshments were served at the tables in the garden.

THE TYPICAL TEENS OF WOLCOTT HIGH

AT PLAY

Included in the life of the typical teens is a full program of sports. Every day they discuss the players, the game or the future events. The topmost sport in our school is basketball. Next to that ranks track and cross-country. Baseball is a sport enjoyed during the summer vacation. A new sport that is just being encouraged is football.

The excitement of the basketball game is reflected in the screaming crowd, cheering students, sweat and strain of players, bright lights, and rumbling of feet on the gym floor. The rushing air, pounding feet, and straining muscles accompany every track or cross-country meet. Football is a tough, rugged game. Bruised flesh, black eyes, and broken bones often result from a hectic game. The thrill of hearing the crack of a bat on a ball and the cry "Home run" keeps the spectator on the edge of his seat.

The old Wolcott House grounds have been converted into an athletic field and we now have a good track.

Turn the page and see the typical teens at play.

VARSIITY

Wolcott defeated Monon in final game of Sectional ending Monticello's four-year Sectional Reign. Ramon Dotson made the all-county team in his senior year... Our only county defeats were Chalmers and Monticello, both in tournament play... Top averages for the Wolcott Wildcats were: Reel, 17.8; Ward, 13.4; Dotson, 12.5... Wolcott will lose only two starters via graduation... Perhaps it has happened before (We don't know) but the IHSSA Board of Control granted Coach Dunn's protest in Wolcott's 54-52 questionable loss to Camden on December 12, and called the game a 52-all tie... The seasons record is 15 won, 6 lost, and the tie with Camden.

Wolcott Wildcats Sectional Winners To Represent Area at Regional Tourney

Wolcott won the 1959 Sectional played in the new Monon gym last weekend by defeating the host team in the last round played at 8:15 Saturday night. The tournament, originally predicted to be won by Monticello, was an interesting one with teams all only matched throughout and showing sound coaching and sincere effort on the part of the players. Sickness, typical of the spring months plagued some of the quintettes and was credited with diminishing the spectator crowd, especially on the opening night.

Thriller Overtime
A thrilling over-time opened the tourney round played Thursday night, with Wolcott emerging victorious over Francesville by 55-49. From the beginning, both teams played on an even keel and scoring was very fine. Play in the final quarter showed signs of the exhaustion which was catching up with teams and spectators alike. The game will doubtless go down as a "remember the game when" in the recollection books of many students. Reel and Dotson were top point men for Wolcott; Boehning and Gutwein, for Francesville. Chalmers defeated Buffalo in the second game Thursday night, 60-42. Only in the first quarter was there ever any question as to the outcome of the encounter. Rod Nesius, Bob Christopher and Larry Gallinger were top men on the winning team. Larry Wooldridge led the losing Eisons and Glenn Smith, with a percentage of 15.58 game goal and was held to one field goal and one free throw by the Chalmers boys.

The Wildcats did tankle with Rensselaer. They came out with a 6-point victory. They played against Logansport in the final game, but lost 81-46. This is the farthest any Wolcott team has gotten. The next Monday was spent celebrating. Square dancing, round dancing, pep sessions, and a mock basketball game between the Futures and the Has-Beens highlighted the celebration.

Saturday afternoon, in the semi-final round, Wolcott defeated Chalmers, 62-53, and Monon won over Idaville, 40-36. Raymond Dotson, of Wolcott, with five straight field goals in five tries, is credited with sending the Chalmers team into a spin from which they never recovered. Rod Nesius, missed seven of the leading scorer, missed seven of the same opening quarter. Don Reel joined Dotson in keeping Wolcott comfortably ahead in the rest of the game. Percentage-wise, Wolcott had a .359 scoring average, and Chalmers, .232. Dick Jones and Pete Runk headed the Monon team to defeat Idaville in the second game of the afternoon. The Green Streaks were never ahead, but often closed the gap to a two-point difference. Don Reel, Raymond Dotson and Don Ward led the Wolcott Wildcats to victory in the evening encounter, bringing to Wolcott its first sectional title since 1954, and its fourth in the history of the annual tourney. The game was a close one until the final period when the three led in a series of fielders and free throws to crush the Railroaders by 12 points. Final score, 71 to 59, favor of Wolcott.

The Wolcott Wildcats will meet the team from Rensselaer in the opening game of the Regional tourney next Saturday afternoon. The game is scheduled for one o'clock at Logansport's Berry Bowl, and will be followed by a contest between North Judson and Logansport.

Our players and our cheerleaders need an enthusiastic support to do their best. The Pep Club are the ones who supply it. Noted for the originality of their yells, they have worked up several new routines. Some of their new songs include "The Battle Cry," "Tom Dooley," "The Chipmunk Song," "Letters," "Six Foot Five," and "In Honor of the First Five." Besides their yells the Pep Club has developed several new card routines.

PEP

This year the varsity cheerleaders placed second in the county. Two of them are seniors and two of them are juniors. They are pictured on page fifty-four. Their bright outfits grace the gym floor at every ball game. At the half time and also during the game they give an exhibition of their skills.
